

ROOM ASSIGNMENTS

Fill out this form and send with payment(s). You can make additional copies as necessary. Correct names must be used as ID will be required at check-in to prove identity and age. You must be over 21. List room leader's name first. They will be notified when additional info is posted on the web. List names of other room leaders you'd like to be close to and add any special requests in the additional comments section. We will do our best to accommodate special requests but there are no guarantees. Please fill out completely and accurately so we can update the mailing database for future events. And finally, please circle your gender. Some names can be either (like Chris) and this will help us be more accurate when updating the website. Thanks!
